

We have plenty of volunteer opportunities ONLY if you are available Monday-Friday 9a-1p or 12-4p at this time and some afterschool 4-8p.

To be considered-please email answers answer below questions to

virginia.napoles@valleypres.org. We will contact you – once we reviewed your answers. We are very fortunate that many want to volunteer at Valley Presbyterian Hospital. We are proud of the quality and service our volunteers contribute to our patients and staff. Volunteers assist throughout the hospital in both patient care and ancillary areas. No physical patient contact.

Why do you want to volunteer at VPH? Why do you feel you will make a difference volunteering at the hospital? Weekends we are full. Are you an adult or high school student?

We will mail you a volunteer packet that consists of an application, health clearance form (that must have a recent TB test done) and Volunteer Handbook must be read. You must complete pages 37-44 prior to attending a monthly meeting/orientation with potential volunteers. This handbook will give you a thorough understanding of Valley Presbyterian Hospital Volunteer Program. We require 120 hours commitment and one 4 hour shift a week. All adults must also have a background check cleared before starting to volunteer and the hospital will pay for this report. Once we confirmed clearance potential candidates will be notified of your first date to start volunteering at Valley Presbyterian Hospital. When all paperwork is completed please call us at 818-902-2932 to set up an appointment for monthly meetings to review and turn in all paperwork.

Thank you again for your interest in our volunteer service department. We are very fortunate that you want to give back to their community by volunteering at Valley Presbyterian Hospital. We hope that we may be able to place you in the future. If you have any other questions you may contact me e-mail me at virginia.napoles@valleypres.org I look forward to meeting you.
