

Mentor Teacher Application

Application Deadline: Friday, April 21, 2017

Mentor Teachers: Mentor Teachers will support and help new teachers as they work toward their standard license (2 years), and support teachers who are new to the district (1 year).

Duties: The Mentor Teachers will:

- Demonstrate the ability to coach and assist new teachers
- Conduct a minimum of four observations of their mentees within a year
- Have mentees observe mentor's classroom a minimum of four times a year
- Work closely with the Mentor Coordinator, the Instructional Coaches, and Technology Teacher Leaders to provide a variety of learning opportunities for mentees.
- Develop a supportive, professional relationship with mentee teachers to encourage growth and teacher retention
- Work with other teacher leaders as part of a strong support network for new teachers

Additional days: 0

Length of Assignment: 1 to 2 years dependent on mentee assignment (Mentor Teachers are encouraged to apply with an intent to work in the role for more than one year. Reapplication needed each subsequent year. A mentor pool will be established each year; mentors will be assigned from the pool by administration.)

Teaching Assignment: 100% classroom

Salary Supplement: \$1,000

Requirements: Send all requirements electronically to your building administrator. In the subject line, please identify the position applying for.

- Write a letter of application addressing why you are interested in this position. Please include discussion on these four areas: leadership, collaboration, improving student performance, and use of instructional data.
- Submit two letters of recommendation from peers (cannot be from a current CGD administrator or a TLC Selection Committee member).
- Provide three references (cannot be from a current CGD administrator or a TLC Selection Committee member).
