

ParentVue App

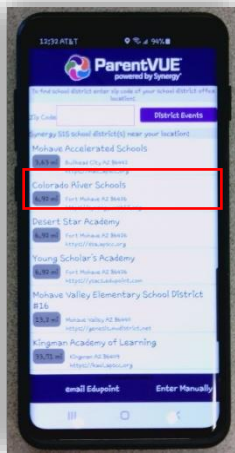

1. Download the **ParentVue** app from the App Store or Play Store

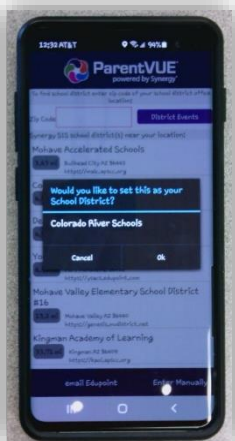

2. Open the App and **swipe left** to connect to the district's server.

3. Find **Colorado River Schools** and click

4. Tap **Ok** to make it your School District

5. Tap **Already Activated**

If you have not activated your account, you will need to contact your child's school office for the Activation Key.

6. Type your **Username** and **Password**
